CT/PET Resting Chair

Keep your patients comfortable with the right injecting/resting chair for your facility. This recliner comes in a beautifully designed package. Ideal for environments where patients need to sit and relax for long periods of time, such as Oncology and PET Centers. This recliner makes the care, treatment, and recovery of patients more comfortable in an array of clinical settings. Upholstered arm option is also available to replace currently shown wood arms. Features high density foam in the seat, back and armrests for maximum patient comfort. Recliner mechanisim features dual gas cylinders for a smooth power assistance during back adjustment and Trendelenburg activation.

#CMT-IC07 | Call for pricing
