GUIDE

Picking the Perfect Table Pad

Techno-Aide is here to help you build your perfect table pad! Our table pads are specially designed to meet a variety of imaging needs for nearly every x-ray table! Below is a simplified process for table pad ordering.*

TABLE PAD FOAM TYPES

COMFORT FOAM

Our most popular foam! The perfect foam for patient comfort and x-ray imaging. Available in different sizes and thicknesses.

1.8lb | 60 ILD

FIRM DENSITY FOAM

Perfect for longer procedures! This high density foam provides more patient support than our comfort foam. Perfect for extended imaging.

2.0lb | 65 ILD

MEMORY FOAM

Great for long procedures and sensitive patients. 1" of 5.5lb memory foam is placed on top of 1" of comfort foam.

5.5lb | 65 ILD

TABLE PAD COVERINGS

UPHOLSTERY VINYL

Our most popular cover! Comfortable, durable, heavy gauge, medical-grade, reinforced vinyl. [1 mil.]

See PG. 11 for more color options!

Black Upholstery
Default Color

Green Upholstery

Blue Upholstery

Features sewn tapered ends

NYLON FABRIC

A lightweight, filament reinforced nylon fabric.

Now available in feather or diamond ripstop! PG. 11 for color options!

Diamond Ripstop
61-Sapphire
Default Color

Feather Ripstop
R710-Gray

ECONOMY VINYL

A lightweight, inexpensive, light blue vinyl.

Add ons/upgrades not available. Will have fused tapered ends.

Light Blue
Economy Vinyl

TECHNO-TUFF™

Heavyweight, mesh, laminate, reinforced vinyl.

Features handles for easy patient transport!

TT Black
Default Color

TT Blue

4-WAY STRETCH

A comfortable, pliable, anti-microbial premium fabric.

Only available with premium specialty pads.

Black 4-Way Stretch

TABLE PAD END FINISHES

TAPERED ENDS

Standard closure with sewn or fused side seams.

Includes grommets for proper table pad storage.

BOXED ENDS

Completely sewn covering with squared finished corners.

Only available with premium specialty pads!

* Seams will show on all table pads under normal imaging.

Radiolucent X-Ray Table Pads

Pads can be used for imaging tables or stretchers. Manufactured for durability and longevity. Helps maintain complete control of the patient. Affordable for each room and table. Standard table pads come with tapered ends and two brass eyelets at each end for hanging. Cleans easy with mild cleaner or germicide.

STEP 1 - CHOOSE A FOAM TYPE

Comfort Foam - Our most popular table pad foam.

Firm Foam - Higher density for more patient support.

STEP 2 - CHOOSE THE BEST FIT

STANDARD

Special replacement stretcher pad with 4 slanted corners. For stretchers with 4 hand holes at both ends.

Custom sizes, including thickness, are available upon request. For more information, please email CustomerService@Techno-Aide.com

Manufacturer Specific Table Pads

Techno-Aide is proud to present our extensive line of Manufacturer Specific table pads. These pads are designed to fit on specific manufacturers' imaging tables. Each pad offers excellent support and durability. Our premium, black, 4-way-stretch, antimicrobial fabric is tailor-fitted over your choice of either 2" premium comfort foam or our 2" two-ply foam with memory. Squared off corners and ends provide a nice, finished look that is perfect for any imaging table. Pads clean easily with mild cleaner or germicide.

Now available in both

Table Pad Add-Ons

Techno-Aide offers multiple premium add-ons to help build your perfect table pad. Below are our most popular premium upgrades to choose from! **Table Pad add-ons are not available on PAD-51 Economy vinyl.**

CHOOSE A STABILITY OPTION

ANTI-SKID BACKING

#PAD-ASB | \$75.00 per pad

This add-on minimizes movement of table pads on any imaging table, but allows easy removal of your table pad.

Not available on PAD-51 economy vinyl.

Our most popular option for table pad stability!

OR

HOOK & LOOP

#PAD-HKLP | \$45.00 per pad

This add-on securely places a table pad on any imaging table. Allows for removal of pad from table.

Not available on PAD-51 economy vinyl.

"Loop" secures to bottom of pad. "Hook" to imaging table.

PERSONALIZATION

EMBROIDERY

#PAD-EML | \$25.00 per pad

Add embroidery to the bottom of your pad. Help identify room numbers, location or even your company logo!

[1 line, up to 24 characters available]

Not available on PAD-51 economy vinyl.

PREMIUM PAD STORAGE

CORNER STRAPS

#PAD-ES | \$50.00 per pad

These add-on straps allow hanging of a premium table pad when not in use.

Not available on PAD-51 economy vinyl or standard pads.

*Logos require a one time digitizing fee. Digitizing fees may vary. Call 1-800-251-2629 for further information and pricing.

Table Pad Storage and Cleaning

Extend the life of your table pad with these accessory options. Storage racks mount on the wall to hang your table pads when not in use. Hanging table pads reduces artifacts and increases the life of your pad!

TABLE PAD STORAGE OPTIONS

STORAGE RACK

#PAD-R2 | \$63.00 [rack only]

Storage racks easily mount on the wall to hang your table pads when not in use. Hanging your pad reduces wrinkles and increases the life span of your table pad. Ships at 4 lbs. White finish.

Two hooks on 12" centers.
Mounts on 16" centers.

STORAGE RACK & PAD COMBO

#PAD-S3 | \$265.00 [1 rack & pad combo]

This bundle includes one of our table pad storage racks and a Standard PAD-55 Comfort Foam table pad with black upholstery vinyl. Table pad measures 72" x 23.25" x 1".

Two hooks on 12" centers.
Mounts on 16" centers.

Easily mounts on the wall to properly store table pads!

CLEANING AND SANITIZATION

TABLE PAD SAFE SANITIZING WIPES

Techno-Aide is proud to offer premium **Sani-Cloth® AF3 Alcohol-Free Wipes**. These disinfectant wipes are perfect for any table pad! These wipes clean, disinfect, deodorize & are fragrance-free. Perfect for other daily use items such as: Sandbags, coated sponges, transfer boards, aprons, shields, vinyl straps and much more!

Alcohol content: ALCOHOL-FREE (less than 0.016%). Recommended 3-minutes or less contact Time. Meets CDC, OSHA and CMS Tag F441 guidelines.

CT Table Slickers

Clear poly film micromatte vinyl protective cover that is designed to fit over CT table pads that come with your table. They are manufactured to resist contamination of the cradle and interior of the imaging table and allows for a quick clean up of blood and bodily fluids and reduces contaminant buildup in hard to clean areas. Flaps prevent contaminants from getting into other hard to clean areas of a table. Such as: table electronics, drives and hinges. **These slickers are designed to fit the original pad precisely.** Latex Free and Easy to install. Comfortable for patients. Will not interfere with normal CT table operation. Slickers utilize a flap system that is integrated with table safety belts to prevent contamination of CT tables.

If you are covering a non-original table pad, please provide the pad dimensions before placing your order to make sure the slicker cover will fit your pad properly.

CT Table Cushions

Designed to enhance infection control practices in the CT room. Reduces cleanup times and equipment maintenance. Foam cushion is permanently welded with thermo-sealed seams inside the protective slicker cover, offering contamination resistance of the cradle and interior of the imaging table. The unique flaps prevent contaminants from getting into other hard to clean areas of a table such as threaded surfaces, corners, table joints or cradles, internal electronics, drives and hinges. Cushions are fully enclosed. No need to worry about fitting an existing table pad. Designed to fit the original equipment table specified by machine, these slicker cushions eliminate the fit problem. The most inexpensive way to renew the table pad and cover at once. Allows for a quick clean up of blood and bodily fluids. Reduces contaminant buildup in hard to clean areas. Fluids and contrast are unable to penetrate into the cushion and table. Made of heavy clear micromatte vinyl and top grade foam, fit perfectly to your specific CT table. Easy to install and does not affect normal table usage.

Features

- Improves table sanitation allowing quicker cleanup
- Reduces contaminant build-up in hard to clean areas
- Reduces table maintenance over time
- Increases system uptime and productivity
- Built to fit original equipment pads precisely!
- Available for nearly every make and model!

Slicker, Cushion and Table Pad Easy Slide Spray

EASY SLIDE SPRAY - SINGLE

#CT-ES | \$20 Single Bottle

This water-based silicone spray increases the slickness of a desired surface, reducing the effort required for patient transfer and positioning! Ideal for table pads, slickers and cushions! This spray is safe for skin contact, non-flammable and produces no smell or fumes. Designed to work on all plastic and vinyl surfaces, Easy Slide spray comes in a convenient pump spray bottle. Available as a single bottle or in a case of 12 bottles.

EASY SLIDE SPRAY - CASE

#CT-ES12 | \$225 Case of 12 bottles

Easy Slide spray is now available in a case of 12 individual bottles.
