2019
PRODUCT
GUIDE

CHECK OUT WHAT'S NEW FOR 2019

2019 will be another year of innovation for Techno-Aide. With a greater focus on providing a safer working environment, our clients will see an assortment of new products and some incredible upgrades to our existing line. With almost too many updates to list, here are a few key innovations that are a must for the new year!

New Default Color, Fabric and Protection

Our new Anti-Microbial Sapphire Blue is an easy to clean filament reinforced fabric. Offering the greatest durability and top microbial protection available. In 2019 Techno-Aide will feature 0.375mm protection with multiple new fabric options to offer the best selection and protection on the market.

Found on pages 33-34

New Anti-Microbial Fabrics

With patient and staff safety as our top priority, these new fabrics inhibit the growth of bacteria and other microorganisms. With six exciting colors to choose from these fabrics are the best solution on the market for any sized business.

Found on page 33

New Tie Guard Apron

This year Techno-Aide will feature an all new Tie Guard Apron design. Incredible protection meets value pricing. The double fold binding ensures strength and tear resistance. Includes a 1" buckle closure that is long enough to tie. A free dual pocket to store an attached thyroid collar and a separate pocket for other items makes this a top choice for 2019.

Found on page 6

New Apron Accessories

New apron racks, apron peg racks and a wide belt vest guard plus option make Techno-Aide a one stop shop for all apparel accessories. Our best fit chart now features gender selection for the most accurate fit available.

Found on pages 8, 25-29

New Grommet Options

Created to work with the Techno-Aide Omni Guards. These new additions allow you to hang the omni-guard as a curtain. Techno-Aide is happy to offer complete customization for distance between grommet locations up to 48".

Found on page 17

EZ-Guard (Hook & Loop)

EZ-On / EZ-Off. Our Most Popular Front Protection apron with an easy criss-cross back and **Hook and Loop** closure on the front. Perfect for every day imaging protection. Double-fold binding for strength and tear resistance. Concealed shoulder pads for extra comfort. Free dual pocket to store an attached thyroid collar and a separate pocket for other items.

Matching the Apron to You

Techno-Aide Sizing Charts are based on averages. But let's face it... nobody is average! So, in order to get the Best Fit for You, please consider the following when measuring yourself for either a Standard or a Custom garment:

PROTECTION IS PRIMARY: Why are you wearing an apron? Protection from radiation! Some companies promise lighter weight garments, but their garments just don't measure up to proper specs. At Techno-Aide, we're much more concerned about your health and safety. Comfort is important, and while our garments are comfortable, comfort will always take a back seat to protection. Isn't that why you're purchasing Protective Apparel?

CIRCUMFERENCE CONSIDERATIONS: When measuring for a Front Protection Apron, measure from one side of the widest part of your body, around to the other side - the actual distance you want protected. Then, tell us if that measurement is your chest, tummy, or hips.

HEIGHT CONSIDERATIONS: In relation to your circumference, do you have a long or short torso? We want to make sure that you are adequately protected!

Best-Fit Sizing Charts

Front Protection Apron

size	front width	length	chest circumference
Petite	20"	32"	< 36"
Small	21"	34"	< 40"
Medium	22"	36"	< 44"

Getting the Best-Fit

If you don't think that our standard sized garments will fit you properly, we are pleased to offer you the chance to create your own size, to fit your specific body measurements. Just complete the form below and we will create your customized protective wear. Please note, that due to the nature of customized apparel, these garments cannot be returned. Please be accurate. Thanks!

Tools for Scanning and Labeling Protective Apparel

Stay one step ahead of the inspectors and enhance your QA! All new garments manufactured by Techno-Aide include a scanable QR Code Serial Number label for automated or manual tracking. However, we realize that you may have older, unlabeled garments or garments from another manufacturer. To update all your protective garments, we have designed this retrofit labeling kit so that your garments can be tracked utilizing the most up-to-date tracking technology available.

CAT #	Description	Price
AHSCB	2D Scanner with Cable	call
AHSXW	2D Scanner Wireless	call
AHETL	Eyelet Tool	call

FREE Protective Apparel Tracking and Inventory System!

Exclusive from Techno-Aide!

All new Techno-Aide garments include a scanable QR code for automatic tracking. Upload garment data into your unique ApronHub portal for permanent inventory management. Receive alerts for inspection dates through a customizable format. Retrofit QR code tags onto your existing Techno-Aide or non-Techno-Aide garments. Track inspection history, location, user, etc., through a customizable reports menu. 2D Scanners are available through Techno-Aide or you can use your own 2D-scanner. ApronHub has everything you need to quickly and easily meet the highest QA standards. For more information visit www.apronhub.com today!
