Techno-Tuff™ X-Ray Filing Cabinets

The industry standard cabinets for ARCHIVE or ACTIVE film storage.

Fully assembled, tough, and versatile. All steel construction offers maximum strength. Solid back and side panels for security. 15 3/8" vertical shelf clearance. 12-gauge corner posts for vertical strength. Dividers are 6" apart. Full height dividers add vertical strength and stability. Full depth dividers prevent snagging and ripping of jackets. Available Colors: Platinum (-7), Black (-63), White (-61), Almond (-6).

SPECIAL NOTE ABOUT MOTOR FREIGHT

Please provide information about your receiving area to determine standard or special delivery requirements. Trucking companies will not unload shipments to accounts that do not have a commercial height receiving dock. In most other circumstances, however, special arrangements can be made available at a reasonable extra freight charge.

Receptor Filing Carts

Protect your investment! "CRC" CR-Plate Units have special, impact resistant padding on shelves and vertical surfaces to prevent damage to expensive CR-Plates. Accommodates film jackets, cassettes, and IR plates. Available Colors: Platinum (-7), Black (-63), White (-61), Almond (-6).
