Orders originating from the state of Tennessee are subject to Tennessee state sales tax and will be billed accordingly, unless a valid tax exemption certificate is on file with Techno-Aide prior to an order being placed. Techno-Aide will not revise any order for tax purposes if a certificate of tax exemption is provided after an order is placed.

Payment terms are Net 30 days from the date of invoice on all accounts, new or otherwise, with approved credit. For your convenience we accept MasterCard, VISA, American Express, Discover, ACH, and Wire Transfer. All wire transfers include a flat \$30 fee per order in the original quote. Discounts do not apply to shipping, wire transfer fees, or bank fees. Techno-Aide is entitled to receive all expenses of collection, including but not limited to, attorneys' fees and applicable charges, related to any action initiated to collect past-due amounts. Third party collection fees and legal fees must be paid in full before an account will be reopened and are the sole responsibility of the customer. Techno-Aide specifically reserves the right to require a minimum purchase amount or establish specific terms and regulation, including but not limited to standing orders, to provide certain specialty pricing or guarantee certain manufacturing lead times.

Techno-Aide defines standard orders as non-specialty or non-custom products as noted on the original purchase order.

Techno-Aide is not responsible for duplicate shipments in the event any revised and/or resubmitted order (for any reason) is not clearly marked or notated accordingly. Orders such as these must be clearly marked and notated with specific identification of a request to not duplicate the order. Some examples are: "do not duplicate"; "revised order." It is the sole responsibility of the customer to provide accurate information prior to Techno-Aide processing a revised and/or resubmitted purchase order. Confirmation by Techno-Aide of a non-duplicate request is required to contest any error in order duplication. Restocking fees will apply to duplicate shipments that do not meet the required steps mentioned above.

Techno-Aide Will Accept Orders in the Following Manners:

Email Orders - Orders must be sent to Orders@Techno-Aide.com. No other email address will be accepted for order requests, unless specifically noted by Techno-Aide. All orders sent to this email address will be processed in the order they are received. Techno-Aide offers no guarantee of order entry and confirmation on the same date an order is received. Orders sent to this email will be entered and charged based on the individual account status. All orders placed via email will receive email confirmation to the primary contact email noted or on file. It is the customer's responsibility to provide accurate and current contact information prior to, or with order submission. When applicable, customers will receive a unique sales order number and confirmation number via the designated contact email on file.

Phone Orders - Orders placed by phone will require a valid contact email address at the time of the order. An emailed copy of the order will be sent to the customer on a Techno-Aide proprietary order form for final verification and authorization prior to processing. Payment processing and shipping calculation will depend on an individual account status and may require an additional step.
