**Techno-Aide Trade-Up Program**

- Please enter the returned product information in the provided area (left).
- Credit will automatically calculate based on quantity of returned products.
- Credit will be applied to final price, once upgraded products are entered in the provided order area (below).
- Trade-Up program requires a 1 for 1 product exchange. No cash value.
- Returned items offer a standard credit towards a new product(s) regardless of condition, brand, or original price.
- Traded-in bolsters must be shipped no more than 20 bussiness days from invoice date to receive credit.
